

ARCHIVES, COLLECTIONS & OFFICE · 31 WESTMINSTER STREET
GRIST MILL MUSEUM & HAWK'S EYE VIEW OVERLOOK · 20 MILL STREET

Your membership dues help us maintain the lovely Riverfront Park, and restore the historic Adams Grist Mill. They also allow us to maintain our collections and share with the public our archives, unseen and in storage for so many, many years. With your support, we can truly fulfill our mission to cherish, honor, and share the rich history of our town.

Members receive our quarterly newsletter, get reduced rates on photo copies of archival materials and archive searches, and are welcomed at our full members' meeting each October.

Please visit our new office on Westminster Street in the historic Edward Arms Building—enjoy the Riverfront Park, the Labyrinth and the stunning vista from the Hawk's Eye View Overlook.
